Relevant Representations

Local Residents
Letters attached as **APPENDIX D**

Officer's Views

4. When considering the application the Sub-Committee should be aware that they must consider the individual merits and where representations have been made it is only the representations that relate to one of the four licensing objectives that may be taken into consideration, namely:
- Prevention of public nuisance
 - Prevention of crime and disorder
 - Public safety
 - Protection of children from harm
5. Members are reminded they have three options when determining the application:-
1. Reject the application
 2. Approve the application
 3. Modify the application in respect of times, activities or conditions, or any variation as they deem appropriate and proportionate

Policy Considerations

6. Guidance issued under section 182 of the Act outlines a number of conditions that may be used to promote the four objectives. Whilst this list is not exhaustive it is an indication to applicants of the conditions that may be considered appropriate in individual cases. Each objective is of equal importance. When considering the application the Sub-Committee is referred to the guidance issued by Central Government under S.182 and South Cambridgeshire District Council's Licensing Policy.
7. It should be noted that in addition to any relevant conditions placed on a premise that it is unlawful under the 2003 Act:
- 1) To knowingly sell or supply or attempt to sell or supply alcohol to a person who is drunk
 - 2) To knowingly allow disorderly conduct on licensed premises
 - 3) For the holder of a premises licence or a designated premises supervisor knowingly to keep or to allow to be kept on licensed premises any goods that

have been imported without payment of duty or which have otherwise been unlawfully imported

- 4) To allow the presence of children under 16 who are not accompanied by an adult between midnight and 5am at any premises licensed for the sale of alcohol for consumption on the premises, and at any time in premises used exclusively or primarily for the sale and consumption of alcohol.

Conditions enforcing these arrangements will therefore be unnecessary

Conditions relating to the prevention of public nuisance

- a) Consideration may be given to conditions that ensure that:
 - 1) Noise or vibration does not emanate from the premises so as to cause a nuisance to nearby properties
 - 2) Prominent, clear and legible notices are displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly
 - 3) The use of explosives, pyrotechnics and fireworks of a similar nature, which could cause disturbance in the surrounding areas, are restricted.
 - 4) The placing of refuse - such as bottles- into receptacles outside the premises takes place at times that will minimise the disturbance to nearby properties
 - 5) Noxious smells from the licensed premises are not permitted (subject to existing legislation not providing adequate measures) so as to cause a nuisance to nearby properties and the premises are properly vented
 - 6) Flashing or particularly bright lights on or outside licensed premises (any such condition must be balanced against the benefits of providing lighting to promote the prevention of crime and disorder)

- b) Hours

The hours during which the premises are permitted to be open to the public or to members and their guests can be restricted by the conditions of a premises licence or club premises certificate for the prevention of public nuisance:

- 1) Conditions may be placed on premises restricting (other than where they are protected by the transitional provisions of the Act) the hours during which premises are permitted to be open to the public or to members and their guests
- 2) Restrictions may be necessary on the times when certain licensable activities take place even though the premises may be open to the public at such times
- 3) Restrictions may be necessary on parts of a premise used for certain licensable activities at certain times

Conditions relating to Crime and Disorder

- a) **Door Supervisors** (registered with the Security Industries Authority)

The Local Authority recognises that in applications where door supervisors are referred to in the operating schedule conditions relating to door supervisors are mandatory. Where conditions are attached relating to the provision of door supervisors and security they may be valuable in:

1. Preventing the admission and ensuring the departure from the premises of the drunk and disorderly, without causing further disorder;
2. Keeping out excluded individuals (subject to court bans or bans imposed by licence holder);
3. Searching and excluding those suspected of carrying illegal drugs or carrying offensive weapons and;
4. Maintaining orderly queuing outside venues

Where door supervisors are to be a condition of a licence they are required to be licensed through the Security Industries Authority in line with the Securities Industry Act 2000.

b) Bottle bans

It is recognised that glass vessels (ie bottles and glasses) may be used as weapons inflicting serious harm during incidents of disorder. Conditions may include:

1. No bottles containing beverages of any kind, whether open or sealed, shall be given to customers on the premises whether at the bar or by staff service away from the bar
2. No customer carrying open or sealed bottles shall be admitted to the premises at any time that the premises are open to the public.

In appropriate circumstances conditions may exempt bottles containing wine or similar sold for consumption with a table meal by customers who are seated in a separate area from the bar.

c) CCTV

The presence of CCTV cameras can be an important means of deterring and detecting crime at and immediately outside licensed premises. Conditions may include:

1. The need to have CCTV cameras on the premises
2. The precise positioning of each camera
3. The requirement to maintain cameras in good working order
4. The requirement to retain recordings for an appropriate period

d) Other conditions that may be considered relevant to promote the reduction of crime and disorder may include:

1. Restriction on drinking areas
2. Capacity limits
3. Proof of age cards
4. Crime prevention notices
5. Signage at or immediately outside the premises
6. Use of plastic containers and toughened glass

Conditions Relating to Public Safety (including fire safety)

Conditions relating to public safety will be those that are necessary to promote the objective of public safety for individual premises or clubs. They should not duplicate other legal requirements. Equally the attachment of conditions to a premises licence or club premises certificate will not relieve employers of the statutory duty to comply

with the requirements of Health and Safety legislation and the requirements under the management of Health and Safety at Work regulations 1999 and the Fire Precautions (Workplace) regulations 1997 to undertake risk assessments.

Conditions enforcing these arrangements will therefore be unnecessary.

Where existing legislation does not provide adequately for the safety of the public consideration may be given to conditions covering:

- a) *Disabled people*
 - 1) ***Adequate arrangements to enable their safe evacuation in the event of an emergency.***
 - 2) ***Disabled people on the premises are made aware of those arrangements***

 - 3) ***Curtains, hangings and temporary decorations are arranged so as not to obstruct exits, fire safety signs, or fire fighting equipment.***
 - 4) ***Temporary decorations are not used without prior notification to the Licensing Authority/Fire Authority.***

- e) *Accommodation limits*
 - 1) ***Arrangements are made to ensure that any capacity limit imposed under the premises licence or club premises certificate are not exceeded***

If the emergency lighting battery has a capacity of three hours the appropriate period by the end of which the public should have left is one hour.***
- i) *Alterations to premises*
- 1) ***Alterations that make it impossible to comply with an existing condition to premises should be notified to the Local Authority***
 - 2) ***The holder of the premises licence should apply for a variation to the existing licence should any alterations make it impossible to comply with any existing condition.***

4. Conditions that where the Local Authority has made a recommendation on the restriction of admission of children to a film, notices are required to be displayed both inside and outside the premises to make people aware of the classification attached to any film or trailer.
