**1. MEMBERS' ALLOWANCES**

The independent panel to make recommendations on the level of Members' allowances has been formed but, unfortunately, because of the difficulty of finding dates when all members of the panel are available, it seems unlikely that a report will be ready for consideration by Council on 19<sup>th</sup> July 2001. I apologise for this delay. The panel will be meeting on 9<sup>th</sup> July 2001, when it will be taking evidence: further details on how this will be done will follow shortly.

The panel's recommendations will be published, following which the Council will have to decide whether to accept them in full or in part.
