INFORMATION ITEMS – ISSUE DATE 8th AUGUST 2001

2. A Village Facility Grant of £1,280 has been awarded to **Graveley** Parish Council (application number VF03) to replace the existing Graveley Village Hall windows.

It was felt that many members of the community would benefit as it is regularly used. The current windows are a health and safety hazard as they do not open. Replacing them would bring them in line with current legislation.

3. Drinking Water Inspectorate – Annual Report 2000

The Drinking Water Inspectorate's Annual Report stated that a total of 11,206 water tests were carried by Cambridge Water in 2000 and, of those tests, 99.81% complied fully with the Regulations. The Company was inspected or audited by the DWI, or its appointed consultants, on four occasions in 2000. No major deficiencies were identified but a number of recommendations were made, especially in relation to data management. In addition, no events, significantly affecting the quality of drinking water, were notified to the Inspectorate by the Company during the year.

The full Annual Report can be viewed in the Chief EHO's office.
