REPORT TO: Planning Committee

CAMBOURNE - DRAINAGE

1. Representatives from the Cambourne Consortium and their Engineers, WSP as well as Anglian Water were to have met with local members and also relevant Portfolio Holders on 1st July for the purposes of giving a technical briefing. Following notice that Cllr Loynes had suddenly been admitted to hospital earlier this week, the Cambourne Consortium have postponed that technical meeting and accordingly the presentation that was to have been made to the July Committee is being deferred to the August Committee. There have been no adverse drainage matters reported despite some heavy rainfalls in May and June.
2. Gary Duthie, Senior Lawyer, will present this item to Committee on 6 July 2011. Stephen Reid, Planning Lawyer, is unable to attend the meeting, but he can be contacted beforehand by telephone or e-mail.
