Dear Andy

**RE: Town and Country Planning Act 1990, s.257  
Proposed Diversion of Public Footpath No.18, Sawston**

Thank you for your letter dated 4<sup>th</sup> August 2011 and for the opportunity to comment on the above.

I confirm that we would prefer a tarmac surface to the diverted section of footpath and that maintenance would thus be our responsibility.

The specification would be:

100mm of Granite Sub-base Type 1  
60mm of 10-20mm DBM 125p Binder Course  
25mm of 6mm DBM 125p Surface Course

Please let me know if you require any further information.

Yours sincerely

Mike Cooper  
Highway Supervisor
