

3.

DRAFT

To consider the following Notice of Motion standing in the name of Councillor Mrs. R.L. Cannon

"that this Council views with increasing alarm the recent spate of flying accidents that have occurred in the vicinity of Duxford Airfield; and calls upon all parties concerned

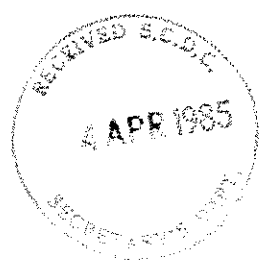

- a) to investigate the present safety procedures that are in operation;
- b) to urgently seek out improvements to such procedures where necessary and;
- c) to publish the results of their findings and immediately implement practical measures to improve safety standards for flying operations at Duxfield Airfield

before an even more serious accident occurs".

Personal Address

4th. April, ,1985.

(2)

Dear Mrs Letley,

I wish you to accept the enclosed Notice of Motion for the Full Council Meeting .

Yours sincerely,

H. P. Holt (Signature)

Notice of Motion.

That this Council expresses to the County Council its deep concern at the non-functioning of the Disputes Panel which was specifically formed to offer a forum for dialogue when there was a difference of opinion between the decision of our Planning Committee and the direction offered by the County Director of Transportation. I shall be producing evidence of this failure by referring to the case of the Potton Timber Engineering Company.

H. P. Holt (Signature)
