To COUNCIL 9/7/92

63

Notice of Motion.

Bearing in mind Standing Order No.16 "Voting by show of hands" I beg to move that the Election of Four Members out of Five Nominations for the important posts of representing the Council at the County Branch of the Association of District Councils be by ballot slips to be completed by those Members present at Council on 9th July.

Bearing in mind that the previous method of appointment to this outside body is being changed, to which there is no objection to that, ~~it~~ nevertheless a ballot ensures that Members may vote according to conscience.

Whilst "Suspension of Standing Orders" is permitted under Rule 8 (xv) i.e. "Without Notice" such Notice is being given to properly advise the Chairman of the Council of the intention to Move the Motion stated.

~~The Council is increasingly alarmed~~
fact that

In view of the ~~fact~~ in which E.C. regulations
are forcing expensive and unnecessary additional inspection
procedures to the next inspection service in Britain:

"We urge the Government and our local Members of
Parliament to support the Private Member's Bill of Dr.
Liam Fox (M.P. for Woodspring) to be brought before the
House of Commons in early January. The effect of the
Bill would be to save the new veterinary and inspection
~~slaughterhouse~~ charges to be imposed ~~by~~ on slaughterhouses
by E.C. regulations.

We would also urge them to give maximum
support to all small butchers and slaughterhouses in
their attempts to maintain an economical customer service
in the face of unnecessary & additional E.C. and M.A.F.
rules."
