Personal Address

19th May, 1976

Dear Sir,

In accordance with Standing Order No. 6 I hereby give notice that at the meeting of Council to be held on 27th May it is my intention to move the following Motion:-

That the Housing Committee be instructed at its meeting on 17th June, 1976, to reconsider this authority's policy in relation to the sale of Council Houses.

Yours faithfully,

S. G. Harvey (Signature)

Dear Sir,

In accordance with Standing Order No. 6 I hereby give notice that at the meeting of Council to be held on 27th May, 1976, it is my intention to move the following Motion:-

In view of recent announcements that the newly constituted Cambridge City Council is to revise its plans for the "Cherry Hinton" development this authority -

- (i) Reaffirms the decision taken at its meeting on the 8th April, 1976, that not more than 25% of the dwellings to be provided should be for private housing.
- (ii) Will oppose any plans for a larger allocation for private development and insist that the conditions on which the outline planning permission was granted - including the provision of the by-pass before houses are occupied - are complied with.
- (iii) Will give urgent consideration to the future development of the area as a whole so that its views can be taken into account before structure plan proposals are published by the Cambridgeshire County Council.

Yours faithfully,

S. T. L. Symonds (Signature)

25th June, 1976

Dear Mr. King,

Council House Improvement Schemes

Thank you for your letter of 17th June and so far as item No.1 therein is concerned I will arrange for the Motion to be placed before the next Council Meeting.

You will appreciate that the information you have requested concerning the Council's Housing at Fowlmere and Elsworth will need to be obtained from the Housing Officer and Architect. However, I will let you have this as soon as possible.

Yours sincerely,

Secretary.

Councillor P.F. King,

Dear Sir,

①

I hereby give notice of the following motion to be placed before the next meeting of the South Cambs District Council :-

" That the District Auditor and currently cost-concerned Ministry of the Environment be asked to comment on the practice of the Housing Committee - claimed by its Chairman on 17 June 76 to be "the Council's largest spending Committee" - to VOTE APPROVAL of house improvement schemes totalling hundreds of thousands of pounds BEFORE such proposals have been presented to the Committee for consideration by architectural staff who are unaware, or unable to give even an estimated cost, of the proposals they are presenting."

Yours truly,

Peter King (Signature)

(2) Arising out of the minutes of the meeting

~~of the Council's Housing Committee on 17 June 1976, when the comments promised in Item 4(b) were not forthcoming, could you kindly inform me at your convenience of the addresses, sizes, bed-room numbers, those included in current proposals, at (a) Fowlmere and (b) Elsworth; also whether any new-house building proposals are intended in these parishes in the next three-years, or actually programmed there, and if so the bed-room numbers of the houses proposed.~~

of the Housing Committee today (17 June 76), when the comments promised in Item 4(b) were not forthcoming, could you kindly inform me at your convenience of the addresses, sizes, bed-room numbers, those included in current proposals, at (a) Fowlmere and (b) Elsworth; also whether any new-house building proposals are intended in these parishes in the next three-years, or actually programmed there, and if so the bed-room numbers of the houses proposed.

of all houses (by)

Yours faithfully,

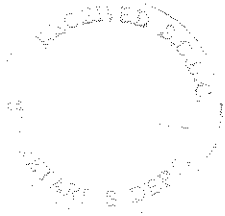

Peter King (Signature)

Notice of Motion submitted by Councillor D. J. L. Allen

South Cambridgeshire District Council welcomes the initiative of the Chairman of the Council (Councillor F. A. Rhead) in giving support to the Appeal which is being led by H. R. H. The Prince of Wales to mark the Silver Jubilee of H. M. The Queen.

This District Council wishes to ensure that local projects and other festivities are complementary to the main Appeal and accordingly invite Chairmen of Parishes and Parish Meetings to make certain that the "Notes for Guidance" issued by the Chairman of South Cambridgeshire District Council on 19th November are well understood by Organisers, so that proper planning in villages will be rewarded with success, both in the Appeal and the various village functions to mark this happy occasion.

(Members of South Cambridgeshire District Council are invited to assist their various parishes in this connection.)

Mr. Hancock

17th March, 1977

Dear Mr. King,

Thank you for your letter of 12th March and I would reply on the three subjects raised as follows:-

Resident Name Drainage

I am writing a short letter to Resident Name explaining the decision of Tuesday's Committee Meeting and will let you have a copy of this.

Notice of Motion

I will arrange for your Motion to be included on the Council agenda in the normal way.

House Occupation at Bourn

I am arranging for the matter you raised to be uninvestigated and will reply to you as soon as possible.

Yours sincerely,

Secretary.

Councillor P.F. King,

Personal Address

The Secretary,
South Cambs Council.

Sir. (1)
Resident Name Sewage - Caxton.

I have read your report to your Councils
ENVIRONMENTAL S E R V I C E S and H E A L T H Committee
on the above, and may the Lord have mercy on your soul.

REMOTE, you say, REMOTE ? So is my backside. But its
as essential to my front side as this property is to the
village called Caxton - which I am ^{sure} ~~sure~~ the Chief Officers
know by name/only as a remote village in the district; for
apart from the odd Sanitary Inspector, none set foot in it
other than to collect rates or rents. Compared with
the time that you all spend dancing to the whims of all
those urban areas with great problems that we little remote
villages have paid for since the end of the war, I think
you might have remembered that we too ~~xxxxx~~ are entitled
to a measure of your time.

I trust that you will bring EVIDENCE to support a number
of the statements that you have made to support your total
disinterest in the welfare of this lady, for as the owner
and relation of ^{Caxton's} property-owners/ who never saw or heard
a sign of ANY council representative enquiring about our
needs or wishes for property connection, I have a suspicion
that you have no records at all in writing stating that
each of our handful/ of houses - for which the scheme was
intended and not just to provide jobs for the boys - were
approached and had the opportunities properly explained.

The above is just the outline of a case which I claim to
be "a contribution which is of vital concern" if not to
the "Parish concerned" then to an occupant who is valiantly
trying to keep her family by her own efforts, as well as her
children from the sewage that surrounds her, while your HEALTH
authority's sewage pipes flow gaily on. But there, I had
forgotten, your authority has passed the buck to the A.W.A.
or some such bureaucratic home for our army of officialdom
that have never handled a shovel in their lives.

(2) NOTICE OF Motion :

I HEREBY GIVE NOTICE of a Motion I wish to put before the
Council on 14 ~~August~~ April 1977, on the next Council meeting :

" Arising out of the ^{appointment} /of Chief Architect from over a hundred
applicants, that (the Council lays down stringent rules to
ensure that) ^{in future} proper ethical standards are maintained ^{all} in/ the
selection processes before and after the appointment which
are equitable to all applicants and to local government as
a whole. "

(3) HOUSE OCCUPATION at BOURN.

I have given up trying to find out who is responsible for
what in the maintenance of houses in this area, especially

since you started on the chicken-coop additions, or as you call them improvements - being such "improving" of [Resident Name] house on [Personal Address] at Bourn that since they were done she :-

1. has had NO GLASS in her back door SINCE CHRISTMAS DAY
→ HAVING BROKEN THE FIRST TIME SHE TRIED TO OPEN THE DOOR -
- there apparently being no one of your supervisors to tell the contractors that all glass panes should be cut SMALLER than the opening into which they are to be fitted and NOT cut to the same size .. as must have been done generally, for I saw other back doors opposite (next pair above [Resident Name] [Resident Name] → for example, to name but one other)

You will recall, I presume that we have had a lot of inclement weather, frost and rain since Christmas - or maybe [Resident Name], an invalid, is supposed to take that in her stride for the joys of having improvements, which have TOTALLY ROBBED her of her, or any pantry; AT THE SAME TIME as they have stripped out ALL THE SHELVING from her large cupboard beside the fireplace in order to put pipework up (which could and should have resulted in shelving appropriately cut to shape, being put back); at the same time as the pantry of which she has been robbed has had a water closet installed within 10 feet of the bathroom WC, ON THE SAME FLOOR → WHEN OLD AND INVALID PEOPLE need one on the bedroom floor (ye gods - and to think that all this is in the name of "improvement" costing six thousand pounds); AT THE SAME TIME as ALL THE HOUSES have been provided with stop-cocks (which I would have thought that half-wits would have known NEED TO BE IMMEDIATELY ACCESSIBLE for turning off, has been BOXED IN WITH A PANEL ON THE FRONT OF THE BOXING FIRMLY F I X E D with FOUR SCREWS -- does not the ~~thought~~ ^{problem} of elderly tenants confronted with a burst pipe endeavouring to find a screwdriver then getting down on their knees with the help of a torch then unscrewing four screws EVER ENTER THE HEADS of the people who design your improvement schemes ???? Well, does it ?

2. has fallen and damaged her already groggy leg after tripping on a large rut across her passage where contractors laid pipes, leaving the job as finished, and refusing to do anything about it

2 contd.

Doesn't anyone ever inspect such things .. even after three months have passed ?? And how about the lengths of skifting left hanging loce INSTEAD OF BEING RE-PLUGGED in a workman like fashing to back walling .. don't you have any ~~xxx~~ specifications which tell contractors what you want doing - or these days, in even telling them HOW it should be done .. and then to see that they do it ???

3.

There were a number of other matters .. but I have grown tired, and really its just a waste of my time going on.

All this I tried to explain to council members recently, but I realise my breath was wasted.. and so I'll pack by haversack, put on my boots and walk from Ely to Littleport. I hope to be back before the Environmental Services Committee .. if I'm not then tell the police to search just below the River Lark entry!

Remotely yours,
