

Standing in the case of Councilors

H. P. Holt (Signature)

"That this Council should consider the principle of conferring the title of Honorary Councilor on persons who have made an outstanding contribution to the public service in this area, and particularly within South Cambridgeshire District.

And If the principle of such conferment is acceptable, to also consider the privileges which Honorary Councilors should have, and the criteria for such appointments."

COUNCIL

Personal Address

27th. April, 1982.

Dear Mr. Hancock,

I regret that I shall be unable to be present at the last meeting of the Policy Committee next Tuesday and I would be grateful if you would offer my apologies to the Chairman. I would however wish to recommend to members of that Committee that they recommend, for approval by full Council on the 20th. May, a motion in the following terms -

"That this Council recognises the contribution made by Councillor P.F. King M.A., M.B.E., T.D. to local government generally and to the effectiveness of Chesterton Rural District Council and South Cambridgeshire District Council in particular. The Council therefore honours this contribution by conferring the title of Honorary Councillor."

Yours sincerely,

H. P. Holt (Signature)

To CONSIDER THE FOLLOWING NOTICE OF MOTION  
STANDING IN THE NAME OF CUL. R. Page (Signature) :-

That the rules governing admission to the waiting list for Council accommodation be amended so that <sup>applications for</sup> ~~vacancies~~ <sup>vacancies</sup> of one/occupied will be accepted for the six ~~properties~~ <sup>properties</sup> which were restricted at Court Close, Barton as a direct result of a Charitable Trust.

Reason : ~~As per the Trust~~

The Council's recent change in policy <sup>restricting</sup> ~~of admission~~ to the waiting list ~~has~~ <sup>has</sup> the effect of thwarting the real wishes of the Benefactress<sup>es</sup> in making the generous donation to enable their six properties to be built. The benefits intended "for the relief of the aged" will be denied to a significant number of persons contrary to the ~~intention~~ <sup>original practice</sup> of the ~~Trust~~ <sup>of the parties to the Trust Deed.</sup> ~~Trust~~
