Mrs. K.J. Crandall,  
Legal and Housing Director  
South Cambridgeshire District Council,

Dear *Mrs. Crandall,*

24 October 1996

MOTION TO COUNCIL

I would like to lay a motion to Council something along the following lines:

2 // "At the Special Meeting of Planning Committee on 11 October (to consider the A428 New Settlement Master Plan) I observed:

1. A key adviser (Highways Agency) has never been invited to meet Committee. (A last minute invitation before the meeting was declined)
2. Reference was made to a Working Party but the Minutes have never been circulated and presented to Committee.
3. An important Meeting involving two or more other authorities and a developer have been held but there are no minutes (by agreement of those who attended).
4. Although members of Committee voted (by recorded vote), Conditions (Reserved Matters) were not read out at the meeting or listed in the agenda papers.

~~Poor procedures give the impression of a Council inefficient in all its work and I beg to move that the Chief Executive immediately instructs Council Officers to ensure Planning Committee follow the same practices and procedures adopted by other committees."~~

*my 2 efficient*  
I would be grateful for your advice if you feel the wording needs changing while still conveying the same message.

Yours sincerely,
