

Responsibility for Functions

The Council has established the following committees with the respective composition of members to carry out the functions set out in the second column of the Table One below subject to the delegation of functions prescribed in the third column thereof. Except for the Employment Committee, where further delegation is not appropriate, all functions of the Council can be further delegated downwards to sub-committees, panels or officers, subject to law and the Delegation Rules as the relevant committee may determine.

Employment Committee: Although this is constituted as a standing committee of the Council, its functions demand that it meets only when necessary to deal with relevant business.
