

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

REPORT TO: Licensing Committee

11 October 2012

AUTHOR/S: Director, Health & Environmental Services

REVISION TO POLICY STATEMENT OF GAMBLING ACT 2005

Purpose

1. To seek approval for the revised Gambling Act Licensing Policy statement of Licensing Policy in line with the requirements of the Gambling Act 2005.
2. This is a key decision because it is likely to be significant in terms of its effects on communities living or working in an area comprising two or more wards.

Recommendations

3. It is recommended that the Licensing Committee recommends to Council that the Gambling Act 2005 statement of Policy as attached at **Appendix A** be approved.

Background

4. A statement of licensing policy is a requirement under section 1 of the Gambling Act 2005 and without a policy South Cambridgeshire District Council may be subject to a judicial review for failing to carry out a statutory duty. In preparing the revised statement of the Licensing Policy, officers gave full regard to both the requirements of the Act itself and the guidelines issued by the Department of Culture Media and Sport (DCMS), Gambling Commission and where relevant Council strategies such as crime and disorder.
5. Central Government has stated that the revised Licensing Policy must be published by 31 January 2013.
6. At a meeting of the Licensing Committee on 5 July 2012 the draft Licensing Policy was approved for public consultation. Information on how to view the policy was circulated to over 250 potential consultees, including representatives of special interest groups and solicitors known to deal with gambling issues along with Parish Councils and responsible authorities, eg, Police.

Considerations

7. Consultation took place between 6 July and 28 September 2012. No comments were received from consultees and no significant alterations have been made to the draft policy circulated for public consultation.
8. Changes made are highlighted in red and relate to changes in Government guidance or amendments to the legislation itself, the most noticeable changes being at pages 3 and 19 in the Policy.
9. The Policy is a document that continually develops to reflect the changing nature of the gambling industry, Government initiatives and the needs of local businesses and residents alike. The Policy will remain in force for three years but may be reviewed at any time before if required. It will form the basis of any decision taken in respect of applications or enforcement under the Gambling Act 2005 by Officers or any Committee or sub-committee involved in licensing decisions.

Options

10. The Committee may after consideration, opt for one of the following options:
- recommend the amended policy as submitted at Appendix A for approval by full Council, or
 - make further amendments followed by recommendation for approval by full Council.
