4. S/2409/14/FL- SAWSTON (LAND NORTH OF DALES MANOR BUSINESS PARK, WEST WAY)

Councillor Robin Page (objector), Luke Simpson (applicant's agent), Councillor David Bard (a local Member) and Councillor Tony Orgee (the Member for the adjoining village of Babraham) addressed the meeting.

During the course of the public speaking, Members noted

- Arguments that agricultural land was needed more for food production, and that the application might not entirely be driven by the concept of renewable energy
- An observation that the UK lacked an integrated land use policy
- Food security and deficit concerns
- Alternative positioning of solar panels
- Efforts made by the applicant to address the concerns raised by Members at the Planning Committee meeting on 5 November 2014
- The impact on the Green Belt, already under pressure around Sawston
- Viability
- Impact on the 'green separation' between Sawston and Babraham
- Harm to the Green Belt not outweighed by the benefits offered by the proposal
- Detrimental impact on the area

The Senior Lawyer reminded Members to restrict their deliberations to material planning considerations, and community benefits that were capable of being required by the Local Planning Authority, by means of a Legal Agreement under Section 106 of the Town and Country Planning Act 1990, in order to make acceptable a planning application that would otherwise be unacceptable.

The Committee **refused** the application, contrary to the recommendation in the report from the Planning and New Communities Director. Members agreed the reasons for refusal as being that no very special circumstances had been demonstrated for the development that would clearly outweigh the harm to the Green Belt through inappropriateness and other harm from coalescence

5. S/1885/14/FL - PAMPISFORD (LAND ADJ 3 HAMMOND CLOSE)

Councillor Tony Orgee delivered a statement on behalf of Pampisford Parish Council, and also addressed the meeting as local Member. He said that a number of objections submitted via the Council's website, appeared not to have been considered in preparing the Committee report.

- The very special circumstances outweighing any harm to the Green Belt

The Committee considered that very special circumstances existed for the development that would clearly outweigh the harm to the Green Belt through inappropriateness and other harm and gave officers **delegated powers to approve** the application, subject to it being referred to the Secretary of State as a Departure from the Development Plan, and not being called in for determination.

7. S/1687/14/FL- THRILOW (LAND TO THE EAST OF CHURCH STREET)

Aly Anderson (objector), Ed Smith (applicant's agent), Jane Gough (Thriplow Parish Council) and Councillor Peter Topping (local Member) addressed the meeting.

The Senior Lawyer referred Members to his written note detailing his observations on representations submitted by Richard Buxton Environmental & Public Law via letters dated 1 October 2014 and 24 November 2014. The Committee **refused** the application contrary to the recommendation in the report from the Planning and New Communities Director. Members visited the site on 2 December 2014.

Shane Lawrence (objector), Ray Houghton (agent) with Richard Parry, and Councillors Val Barrett and Jose Hales (local Members) addressed the meeting,

During the course of the public speaking, Members noted

- The relationship between the current application and the emerging Local Plan's aspiration for the site, such Plan currently being assessed by an Inspector for soundness
- The public engagement that had taken place
- Sustainability
- That the developer was local
- That Melbourn residents would be given first option when it came to affordable housing

The Senior Lawyer reminded Members that anyone could make a planning application so long as it was in accordance with policy. The current policy framework existed in the Local Development Framework 2007 and the National Planning Policy Framework. The application should be assessed against those policies and in the context of material planning considerations.

The Committee gave officers **delegated powers to approve** the application subject to:
